## Monthly Calculator

### Dynamically Calculates Monthly TDS for each Employee

Facing challenges in correctly calculating monthly salary TDS?

SalaryTDS helps you precisely calculate employee specific monthly TDS values on a rolling basis.

Salary earnings and tax saving plans constantly change. Does this affect your TDS computation each month?

If yes, SalaryTDS dynamically determines monthly TDS based on changes in annual projected tax.

Are you insync with changes in TDS related statutory provisions?

If not, it can lead to incorrect calculations. SalaryTDS is in compliance with all updates from the IT department as released.

**Serving the TDS eco-system since 2004**
